FEBRUARY'S PRAYER

To God who gives me food each day
And cares for me in every way;
In all the things I say and do
Help me to show my love for you. Amen!

THIS WEEK'S BIBLE STORY

Luke 19:1-10

This week's story tells us about how the Pharisees believed that Jesus shouldn't associate with Zacchaeus because he was a sinner. Instead, Jesus sought out Zacchaeus and brought him to the point of repentance, and forgave his sins. Jesus brings this same message to all of us, that full and complete forgiveness is offered to all people in the Gospel through His own suffering, death, and resurrection.

THIS WEEK'S BIBLE STORY

Luke 10:38-42

This story is about Jesus' visit to Mary and Martha. Mary took the time to sit and listen to Jesus, while Martha was busy fixing a meal and missed out on hearing Jesus tell how much God loved her. We need to take time to hear what God says in His Word, which is also a way we can praise Him. Through His Word, God shows His great love for us in Jesus.

BOOK BUDDY BAGS

We are asking for all of the book buddy bags to be returned as we have a new set ready for you to check out! Please return any checked out sets by the end of this week. The new book buddy bags will be available to check out next week. Remember, reading is one of the most important **FUNDamentals** for early learning.

THIS WEEK'S BIBLE STORY

Luke 17:11-19

Jesus healed the 10 men who came to him as they were struggling with leprosy, but only one returned to thank him for this blessing. Help your children to see that the many blessings in their lives, including healing, are gifts from God, who deserves thanksgiving and praise.

NOSE BLOWING

Did you know blowing ones nose is a learned trait? By the age of 4 or 5 children who have been taught can do it. With assistance a three year old can be working on this skill if they have not been already. Please instruct children to blow with their mouth closed, holding the tissue to fully cover their nose. Coughing or sneezing into ones elbow or a disposable tissue is also a good strategy to help prevent the spread of germs. Always washing hands after blowing a nose is also important.
