I know some students will not be returning as they will be moving on to pre-kindergarten or kindergarten programs. Would you please let us know which school your child will be attending next year? Thank you. Wherever you choose for your child to attend for next year we thank you for the opportunity to have served you and your child(ren) this past year.

We are praying for your families and ask God to bless each and every child and family who has been, is, and will be a part of our preschool. You are special to God and loved very much by Him. Thank for being with us this year!

FLOWER SALE

 Thank you to everyone who ordered flowers this year. We raised over \$220.00 to go to our new state certified wood chips in the playground. Our playground looks great besides being a very safe area with a combination of grass, wood chips, and rubber flooring for the children to enjoy. Thank you for your donations to make this happen.

I know some students will not be returning as they will be moving on to prekindergarten or kindergarten programs. Would you please let us know which school your child will be attending next year? Thank you. Of course every spring I/we want the current students to remain as we can see how much they've grown and we want to keep watching them. Whatever you choose for your child for next year we thank you for the opportunity to have served you and your child(ren) this past year. We are praying for your families and ask God to bless each and every child!

FLOWER SALE

Thank you to everyone who ordered flowers this year. The flowers will be delivered on Thursday morning. At the end of class the orders will be ready to go home. The M/W/F families may get their flower orders on Friday morning.

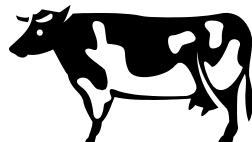

FARM FIELD TRIP

This week, May 8th and 9th, are the dates of our trips to the Tanner Farm. Mrs. Tanner was our Preschool assistant for four years and is very familiar with being around young children. She enjoys having our students visit her family farm. They have many animals to view as well as feed. All the parents are invited to attend. If you are a parent who cannot attend we ask that your child come with a car/booster seat for transportation to and from the farm. Like the trip to the dentist we will have

permission forms and carpool arrangements for this field trip.

Please remember – this is a working farm and boots or sturdy shoes should be worn with socks; no sandals, dress shoes, or flip-flops allowed. Please have your child wear clothing that it is okay if mud gets on the bottom of the pants. Also, it is a good idea to dress in layers as the weather likes to change throughout the day.
