ACCREDITATION

The accreditation site visit went extremely well in the month of May. The site team has recommended us for the National Lutheran Schools Accreditation! Our paperwork has been approved by the district office in Portland, OR. From there, our information has been forwarded to the national office in St. Louis, MO. We should have our official notice of accreditation arriving sometime during the month of August. We are thrilled with this news and will continue to reach to improve our preschool.

SUMMER READING

Enjoy the warm weather with activities outside as well as inside. Reading with your child(ren) is a great activity for the great outdoors as well as indoors. Listening to stories and looking at picture books helps children use their imaginations, learn real facts, and establish a pattern for life-long reading and learning. Enjoy a book today with your child!

AUGUST HOURS

Now that it is August the preschool hours will be a bit more consistent. Monday through Thursday the preschool office will be open 9:30 am – 2:30 pm. The office will still be closed on Fridays for the summer. If you would like to meet at a time other than the hours listed please call 253 473-4848 as we are flexible with meeting preschool families. Thank you.
