SEPTEMBER'S PRAYER

See our faces 'round the table.
See our bodies strong and able.
Lift our voices, sing your praise.
Thank you, Lord, for all our days!
Amen

THE PLEDGE OF ALLEGIANCE

We will be working on the pledge in class, so if you could work with your child at home we would appreciate the extra practice time!

I pledge allegiance to the flag
Of the United States of America,
And to the republic for which it stands,
One nation under God, indivisible,
With liberty and justice for all.

HANDICAP PARKING SPOTS

We would like to ask you to refrain from using the handicap parking spots unless you have a handicap parking pass. The Tacoma Police Department is authorized to issue tickets to any violators, so please park elsewhere.

NUMBERS & ALLERGIES

We currently have **9** students in the M-W-F class, and **4** in the Tu-Th class. Please be sure on your scheduled snack day to send in an appropriate amount. We have no reported allergies in either class!

BOOK BUDDY BAGS

Book buddy Bags are available every day for check out! Book Buddy Bags are our free lending library system. They are the bags that hang in the opening hallway of the preschool and have a stuffed toy or two inside along with a book to read. Please borrow one bag at a time and enjoy the "cuddle" time with your child. We encourage you to use this library system to spend some time reading with your child. Remember, reading is **FUNdamental!**

FALL FAMILY SEMINAR

Sherrie Gibelyou, Vice Principal and Learning Edge Resource Director at Concordia Lutheran School will be speaking on the topic, "Exploring Developmental Differences". She will be presenting information on child development, and what some of the differences in development may look like. Please join us on Wednesday October 21st from 6:30 – 7:30 pm at Good Shepherd. Please let us know if you need child care during the seminar, and we will make arrangements for it.

WHY WE DO WHAT WE DO

The projects we do in class are fun and cute, but the main goal of each is more about helping each child with the process of exploring the materials around them verses what the final product looks like. Learning how to cut, paste, glue, and even color are all fine motor skills that take practice to master. For example, squeezing a glue bottle with just the right amount of pressure can give you a dot of glue, but squeeze too hard, and the page (and sometimes more) is covered!

WELCOME & THANK YOU

Thank you for trusting us with your children this year. We look forward to a great year working with these energetic and bright youngsters! If you know of a family who is looking for a preschool please let them know we still have openings in both classes. Your word of mouth support is gratefully appreciated. Thank you.
