**CALENDARS**

Our preschool will be selling wall calendars for the year 2013. These beautiful calendars feature photographs from five photographers from our congregation. The photographs for each month are of God's creative work here in the Northwest. There is a sample calendar near the sign-in sheet. We are asking people to sign up for how many calendars they want and then we will print them according to the amount of orders we receive. The calendars are selling for \$10.00 per one. The funds raised from these calendars will help pay down the cost of our new safety tempered and energy efficient windows. Thank you!

**GOOD BYE TO NOAH**

This week we said good bye to one of our students. Noah and his family are moving to California in conjunction with his dad's job change. We thank God for blessing us with Noah at our preschool and we pray that his family and he will be richly blessed by God in their new home.

### COOKIE SALE

Thank you to everyone who helped with our cookie sale – either by donation or purchasing. We made close to \$300.00 to help with the cost of our new windows. Your support is truly appreciated.

### THANKSGIVING

For our Thanksgiving celebrations we will be serving scrambled eggs on Tuesday and Wednesday. Hopefully your children will share Albuquerque Turkey with you and then you will know why we are eating eggs!

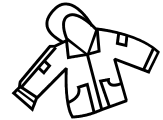

**Happy Thanksgiving!!**

### ACCREDITATION

Our preschool has officially applied for accreditation through the National Lutheran Schools Association. Once our application is approved we will have three years to complete the accreditation process. For our preschool we hope this enhances and improves what we believe is already a quality Christian preschool program. Please pray for your/our preschool as we move forward toward accreditation.

### JACKET WEATHER

As we are getting into our jacket/coat weather please put last names or initials on the label of your child's jacket or coat. This will greatly help all of us in knowing whose coat is supposed to be with whom. Thank you! Also, we do try to go outside as often as possible. Some mornings are getting cooler and hats and gloves or mittens may be a good idea for your child. Thank you!

### HEALTHY VS. SICK

Please remember if your child has a fever they should not be coming to school until the fever has been gone for 24 hours. Allergies and colds have similar symptoms; please help us to know who has allergies. If your child is sick please let your child rest at home and then return to school when ready. Thank you!

### START TIME

Please remember our preschool start time is 8:45 am. We like to begin our circle time by 8:50 am. Arriving between 8:35-8:45 am is ideal when possible. Thank you!

### BOOK BUDDY BAGS

The book buddy bags are out and being used! This is awesome; children love stories! Students may borrow one book buddy bag at a time.

When that bag is returned the child may borrow another one. The ideas are for some quality reading and cuddle time with your child. In 3

weeks 22 different bags will replace these ones. Enjoy!!

### FEATHERS

Large construction paper shaped feathers were sent home last week and this week for your child to decorate for our November bulletin board. Please help your child decorate this feather with ideas of what he/she (or family) is thankful for. We would like the feathers brought back to the preschool when they are ready. We will display our many blessings on our turkey bulletin board. Thank you!

Our preschool will also be selling cookies this Sunday after the early and late services in the narthex. We are asking for donations of home baked cookies to be brought in either Thursday or Friday or Saturday morning between 9:00 am and noon (to the other building). The money earned from these two fundraisers will help offset the cost of our new windows. Thank you.
