HAPPENING THIS WEEK

Our classes are making scrambled eggs for our Thanksgiving feast on Tuesday and Wednesday. Our "pet" Albuquerque Turkey has safely managed another Thanksgiving here at the preschool. Hopefully your children can sing you the song!

LITTLE LAMB OF THE WEEK PRAYERS

We wanted to let you know we are printing the picture of one child in our Sunday church bulletin and asking for prayers for that child and their family during the week. No names (just initials) will be printed, and it does not go onto the web site. We like to keep our church family connected with our preschool families.

COLD WEATHER

Our preschool students go outside every day we can. This includes cold days that are not rainy. Children need to run and be outside – even just for a few minutes – to give their brains a break. Please send what you want your child to wear in the way of hats, gloves or mittens, scarves, and warm coats to help keep your child warm outside. We will take the time to assist with these items.

2015 CALENDAR SALES

The preschool has an annual calendar fundraiser with photographs from members of our congregation. The calendar is available to preview and we will be taking orders during the month of November. The calendars are for sale at \$10.00 each. The funds raised will go towards the purchase of cabinetry for our classrooms. (Hint: calendars make great gifts!) Thank you for your participation.

CHRISTMAS TREE DECORATING

During the month of December we will have a 4 foot artificial tree available for decorating by the students. If you have non-breakable ornaments or garland you are willing to donate please bring it the first week of December.

HAPPY THANKSGIVING

Please enjoy a safe and thankful holiday on Thursday. There is no school Thursday and Friday – we will see you next week!

HAPPENING THIS WEEK

We are practicing another fire drill this week in each class. Plus, we are talking about what to do in case of an earthquake. Also, in class we are beading with fish beads. The children are being asked to do a pattern with their beading. The fish beads also remind us about our Bible story: Jonah and the big fish.

TURKEY FEATHERS

This is an annual family project we like to do every November. It is fun to see all the ways families creatively show what they are thankful for in their lives. Please take time to see our turkey of thanks!

HAPPENING THIS WEEK

The "fishing pond" is open. We have different sea creatures the students can fish for with different colors, sizes, and dots on them. We are then sorting by size, color, and doing simple adding by counting the dots. Magnet fishing is always a lot of fun. Ask your child about it and if they get wet.

TURKEY FEATHERS

This is an annual family project we like to do every November. It is fun to see all the ways families creatively show what they are thankful for in their lives. Please let your child enjoy the "homework" assignment as we share our thankfulness with others. Come and see our turkey so far. He is looking great with all of our thanks!

HAPPENING THIS WEEK

This week, our classes went to our church building to have our Bible Story time there. Pastor Dan and "Leggo Lamb" presented the message in our sanctuary. Our classes will be doing this once per week for the remainder of the school year. We thank Pastor Dan for coming and spending time with us in the classroom and sharing God's love for us.

It is fun to see all the ways families creatively show what they are thankful for in their lives. Please let your child enjoy the "homework" assignment as we share our thankfulness with others.
