PARENT SEMINAR

Please mark your calendars for January 30th, beginning at 6:30 pm in the fellowship hall. This will be the date for Miss Angie Kamrath, the Concordia Lutheran School kindergarten teacher, to speak with all interested parents about "What my child needs to know for Kindergarten". Angie has been teaching kindergarten for more than 15 years and has current knowledge of what is expected of young learners.

COLD WEATHER

Please be sure your child has a warm coat to wear when we go out to the playground. Our playground is located in shade and our temperatures have been very cold lately. We do have gloves for children to wear. Hats or ear muffs – something to cover the ears – while we are outside would also be a good idea. Remember 10 minutes or longer in a playground can get a bit chilly, yet it is really a good idea to get them outdoors and playing. Thank you!

MERRY CHRISTMAS
&
HAPPY NEW YEAR

With much love – The Preschool Staff

NOSE BLOWING

Nose blowing is a learned skill that can be worked on with young children. Help your child learn to blow their nose correctly by letting them know they need to keep their mouth closed and blow the air out through their nose. Next work on having the child hold the tissue as they blow their own nose. It does take practice and time, however, it is well worth it.
